February 2012

Each year the Beecroft Zone PSSA holds trials in various sports to identify Years 5 and 6 children who demonstrate exceptional ability in a particular sport to attend further trials for the Sydney North Area teams.

One or two children from each of the 21 schools in the Beecroft Zone are invited to attend the Zone Trials.

The required standard at these trials is very high as we have so many schools in the Zone.

Trials are held in various locations and are usually after school. It is the responsibility of the child’s parents to transport them to and from the trials.

We have had a number of successful representatives from NWPS in past years.

If you are interested in having your child considered in a particular sport to attend a Beecroft Zone trial in 2012 please complete the form below and return it to Mr McElhenny as soon as possible.

Your child will be informed about the trials for a nominated sport if he/she meets the specified criteria for his/her particular sport(s).
